

SWAMI KESHVANAND INSTITUTE OF PHARMACY, JAIPUR

“WORLD PHARMACIST DAY”

25th September 2017

SKIP has always put in their endeavour for community service. In the same spirit, a world Pharmacists day celebrations was organized every year on 25th September. SKIP has been celebrating “The World Pharmacists Day” on 25 September 2017. Each year welcomes a new theme to develop to showcase the Pharmacist in their positive effect on health. This year the theme is “**Role of Pharmacist in health Care**”.

The inaugural function witnessed the gracious presence of Mr. Jaipal Meel, Director, SKIP, Mrs. Rachna Meel, Registrar, SKIP, Professor (Mrs.) Hemlata Dullar, Principal, SKIP, Jaipur. The program commenced with a welcome address by Mr. Jaipal Meel.

Mr. Jaipal Meel threw more light on the objective of the world Pharmacist day. He lauded the efforts of the SKIP family and exhorted students and faculty member to encourage and motivate regarding importance of world Pharmacists day.

Prof. Hemlata Dullar delivered a lecture on the “**Role of Pharmacist in health Care**”. She explained that Pharmacists have the expertise to provide patient care services that are cost-effective and of high quality, they are the most accessible health professionals. She encourages all pharmacists to make use of World Pharmacists Day; “**A wonderful opportunity to promote our profession**”. Most of the people are unaware of the range of services offered by Pharmacists and know them as a person who simply dispenses medicines. **‘But, that's not the only work that the Pharmacist does’**.

The students of SKIP organized a poster competition activity on **25th September 2017**. **Prof. Hemlata Dullar Principal of SKIP** gave the I, II & III prize to winner of poster presentation and also for those students who rendering moral and selfless service to the college.
